

## State Public Charter School Commission

### Early Learning Program

The State Public Charter School Early Learning Program increases opportunities for more families to participate in the early childhood system by expanding access to high-quality early learning programs in Hawai'i. The program implements rigorous play-based standards linked to high student outcomes, allowing children to thrive by using Hawai'i's two official languages - English and/or Hawaiian.

One of Only 5 States  
to Receive a 10/10  
Rating
