

# 2024-25 Strive HI School Performance Report

## Voyager Public Charter School

### About Strive HI

The Hawai'i State Department of Education releases an annual report on the performance of the state's public schools, known as Strive HI. This report informs educators, parents, community members, and policymakers, of progress on the student learning goals outlined in the Board-approved Strategic Plan.

For Strive HI reports about statewide performance, other schools and technical information, visit <https://hawaiipublicschools.org/about/organization/strive-hi-dashboard/>.

For more information about the 2023-29 Strategic Plan, visit <https://go.hidoe.us/2023-29-Strategic-Plan>.

Additional reports about schools are available at <https://arch.k12.hi.us> or at school's websites.

This report is produced by the Hawai'i State Department of Education Office of Strategy, Innovation and Performance.

### Our Story

The mission of Voyager: A Public Charter School is to transform education in Hawaii by demonstrating that Hawaii educators, working with a diverse population of our community's children can achieve high expectations as articulated in the Hawaii Content and performance Standards and Common Core State Standards. Voyager uses state of the art methods founded on ancient principles and the latest scientific knowledge to help every student achieve and perform beyond expectations. Voyager forms and utilizes a variety of partnerships to share its philosophy and methods with other public schools.

Students are enthusiastic partners in their own learning.

Students' performance levels and self-esteem rise and remain high.

Teaching is the enjoyable and rewarding career it was meant to be.

Our community reaps the rewards of an improved educational system as our graduates excel in college, career and service.

Hawaii's school system becomes a model for the rest of America.
