Return to Campus Plan 2020-2021

Mālama Honua PCS
July 8, 2020

Introduction

He a'ali'i ku makani mai au; 'a'ohe makani nana e kula'i
I am a wind resistant a'ali'i no gale can push me over

In the spring of 2020, Mālama Honua was forced to navigate through unknown waters, along with schools across the world. Like the a'ali'i, we held steadfast to our mission. We weathered the winds that challenged us. We created new pathways to accomplish our mission. As we stabilize, we begin planning for our next voyage, school year 20-21.

Return to Campus Plan 2020-2021

Mālama Honua PCS
July 8 2020

Mālama Honua PCS will reopen with the goals of:

- SAFELY returning to full on-campus instruction, with special attention paid to early elementary grades and our most vulnerable students.
- Ensuring the academic integrity of instructional programs delivered in-person and/or via virtual instruction that embodies the core culture of our academic program and community.
- Ensuring a high quality blended/hybrid instructional model (in-person and online) in the event of additional stay-at-home orders as mandated by the state of Hawai'i.
- Maintaining modified school schedules and protocols to meet cohort and social distancing guidelines to protect student and faculty health and well-being.

‘Ohana Expectations

‘Ohana support and active participation has always been the cornerstone to our solid foundation at Mālama Honua PCS.

In order to create a learning community where our keiki, kumu, community, and ‘ohana can be safe and thrive, we require your continued active engagement.

Return to Campus Plan 2020-2021

Mālama Honua PCS

July 8, 2020

‘Ohana Expectations

- **Keep your keiki home if they are sick**

A more detailed and updated handbook will be coming out prior to the start of the year so ‘ohana and kula can remain on the same page.

- **Follow federal, state, and local measures to stop the spread**

We recognize that many of us have higher risk family members living with them. We must all do our part to follow state regulations to keep ourselves, our loved ones, and our community safe.

- **Report COVID-19 positive test; keep your keiki home if exposed**

Please notify the school ASAP if your child or someone in your home tests positive for COVID-19. You may be required to keep your child home for 14 day. Home learning will be provided.

Mālama Honua PCS

July 8, 2020

‘Ohana Expectations

- **Stay connected and comply with school directives**

There may be times when we ask our ‘ohana to comply with broader safety measures, we thank you in advance for your cooperation.

- **Avoid non-essential travel**

Any student or employee who travels outside Hawai‘i will be required to self-quarantine for 14 days before returning to campus. Home based learning will be provided and supported during self-quarantine.

- **Practice good hygiene**

Practicing good hygiene in accordance with CDC guideline is essential in preventing the spread of COVID-19 and other illnesses. Frequent and thorough hand-washing should be practiced at home and at school.

Health and Safety

The health and safety of our students, staff, 'ohana, and community are of the utmost importance.

The following guidelines are based on many factors, including federal and state law, collective bargaining requirements, and school-determined best practices.

Return to Campus Plan 2020-2021

Mālama Honua PCS
July 8, 2020

Health and Safety - On Campus

Based on most recent national & state health requirements...

Daily Check-In Protocols

- Temperature checks
- Symptoms check

Face coverings

- Required out-of-class for all staff and students
- Encouraged inside the classroom but not required

Ventilation

- Ventilated, fresh-air flowing learning spaces (in and outdoors) will be utilized

Return to Campus Plan 2020-2021

Mālama Honua PCS

Health and Safety - On Campus

Based on most recent national & state health requirements...

Cohort Learning

- Students grouped by grade level, no mixed grades
- Campuses will be self-contained - all pick up, drop-off, and after-school programming will occur at the assigned grade-level campus

Physical Distancing

- All seating facing same direction
- Spacing will be determined by health standards (CDC, DOH, etc.) and school best practices

Return to Campus Plan 2020-2021

Mālama Honua PCS
July 8, 2020

Health and Safety - On Campus

Based on most recent national & state health requirements...

No Shared Use

- No supplies will be shared
- Personal items will be brought to school and taken home daily

Meals

- Lunches will be individually plated
- Students will observe physical distancing while eating

Hand Hygiene

- Soap, water, and hand sanitizer will be available
- Daily schedules will include periodic opportunities to hand-wash

Health and Safety - Off-Campus, Huaka‘i

Based on most recent national & state health requirements...

Van Use

- Everyone in the van is required to wear a mask for the entire time
- Physical distancing will be enforced by limiting the amount of riders
- Parents may be called upon to support transportation to and from huaka‘i sites
- Increased sanitizing before and after use will be practiced

Community Partner Sites

- Huaka‘i will only occur to sites that have adequate resources and supplies to practice good hygiene, physical distancing, and other safe practices
- Parents may have additional waivers to sign from specific community partner sites to address COVID-19 protocols

If someone tests positive, or has been identified as a close contact with someone who has tested positive...

- The Hawaii State Department of Health (DOH) will conduct an investigation, and those individuals involved will be directed to a 14-day home quarantine or isolation.
- The DOH will work with the school principal if someone (student or employee) at the school is identified as being affected by COVID-19.
- MHPCS will provide requested information to DOH related to COVID-19, including contact tracing.
- The DOH will send a letter to the principal with start and end dates of an individual's quarantine or isolation. The affected individuals will also receive a letter from the DOH notifying them once they have completed their quarantine or isolation.
- NOTE: It is the employee's responsibility to notify his/her supervisor if he/she tests positive for COVID-19 or has been identified as a close contact to someone who has tested positive. (e.g., at a second job, attending a conference/workshop, attended a gathering).
- The principal (or designee) will contact the Local School Board if an investigation needs to be completed.

Learning Plan at Mālama Honua PCS

Despite the challenging and unique circumstances, we are continually thinking of how to provide the best learning environment for our keiki.

Engaging in learning safely and effectively will be of the utmost importance to us as we move forward.

Learning Plan - Grounding Philosophies

The following philosophical guidelines will be the foundation of schoolwide planning and decision making- regardless of location and format. We, the staff of Mālama Honua, believe:

1. The mission, vision, promise, and [Mālama Honua Mind of the Navigator \(MON\) Skills](#) are the foundation of learning and a priority on campus and during distance learning.
2. The HFCS Cultural Competencies Kū‘auhau, Kukupu, and Hō‘ike will continue to be the lenses through which we plan and implement distance teaching and learning.
3. The capacity of our students and families vary greatly and we will address specific needs on a case-by-case basis. To ensure our plans provide opportunities for all students to learn we will strive to keep in open communication between home and school.

Learning Plan - Timeline to Return

The official first FULL day of school has been postponed to Monday, August 17th. During the two weeks prior, we will roll out a staggered return plan. This will allow faculty and staff to engage in professional development to prepare for safe return. This will also allow for student testing and small group learning to as a supportive transition back to campus.

During the week of Aug 10-13, students and staff will roll out, teach, and practice safety procedures and protocols. Students can practice with smaller groups to prepare for eventual full return. Families will attend virtual orientations to learn more about health and safety procedures.

- July: Virtual Home Visits
- July 28: Faculty return
- August 3-6: Small group student testing
- August 10-11: Group A on campus, full day
- August 12-13: Group B on campus, full day
- August 17: All students on campus, full days begin Mondays through Thursdays
