**Here are some other gentle reminders:**

- Please fill out Emergency Cards, and keep your emergency contacts updated.
  
- **Travel Quarantine** -- It is our understanding that only the person who traveled needs to adhere to the 14 day quarantine. The family members, like children, do not need to quarantine if they did not travel. Nevertheless, given the heightened state of vigilance on Molokai, families may want to consider keeping children at home for quarantine if the child is exposed to a traveling family member. If you choose to keep your child in quarantine, children who are not in school will be considered absent. If you choose to keep your children at home because of a travel related quarantine, please call the school and we will note this in our records.
  
- **Bus Transportation Starts on October 12: (Same like in August)**
  - All buses are running to pick students up in AM, drop off half day, and drop off at the end of the day (2:45)
  - EXCEPT—There is NO after-school (No 2:45pm) on the East End bus. Parents must provide own transportation home. There IS morning pick up and midday drop off for ½ day students living on the East End. Full Day students on the East End may also catch the bus TO school in the morning.
  - For Molokai Transportation Bus Company (Hoolehua/Manila Camp/Kalae) -- Question asked at Parent meeting -- Are the elementary students riding with other students from other schools? Yes, per DOE transportation, Kualapuu students will be riding with Molokai Middle School students since both schools are on the same schedule.
  
- **Meal Service:**
  - Virtual Students may pick up lunch/breakfast at 11:00am
    - Parents of virtual students may pick up lunches at 11am-11:30am. Students will receive a lunch and a breakfast. Parents need to park at the bottom (not on campus) and WALK up to the cafeteria dining hall. Do not drive up to the parking lot as we are expecting a lot of traffic. They need to find the Meal Clerk, Fiona, and give the name of the Virtual Child.

Children should not be coming to pick up their own meals. If it is raining, please bring a rain coat or umbrella. Bring your own box if you are pick up a lot of meals.

- Half-Day Morning students will have a Grab-N-Go lunch

Aloha Families:

Thank you parents/families for your patience and understanding. Some of you have emailed or texted us directly with questions. Our goal is to communicate with accuracy and discretion, with the best information we are able to give at that time. Your questions do give us a sense of what information you need moving forward.

Our focus yesterday was gathering accurate information and communicating with relevant families. We communicated directly with the confirmed family involved to gather information. Second, we contacted classmates' families of the potentially exposed student(s). In addition, we contacted relevant staff/teachers of the potentially exposed student(s). We also

communicated with the Charter School Commission Office, Ho'okako'o Board, Department of Health, and Molokai Complex DOE.

We understand that some of you may have gotten Covid tested on your own because of the school's information, family connection, and/or community information. In the spirit of communication, if you voluntarily wish to share your Covid testing results with the school please contact us via email. We will treat this information confidentially and with discretion. Any information shared with us will inform our action plans at school. Again, this is completely voluntary on your part to share.

Our school campus will be closed from Monday, August 31-Thursday, September 3rd. Distance Learning opportunities are available to all of our students at this time. As mentioned in previous parent orientations, we are using SeeSaw and Zoom as our distance learning online platforms. Instruction for THIS WEEK:

- Virtual Students (HLIP virtual students and students in Mrs. Cummings Class) -- status quo: all reading, writing, math and resource classes are still on as usual via SeeSaw and Zoom;
  - Half-Day Students (also known as Hybrid Students) -- resource classes are still available via SeeSaw to your child, for other assignments your child's homeroom teacher will be contacting you;
  - Full Day Students -- resource classes will be available to your child via SeeSaw (starting Tuesday), for other assignments your child's homeroom teacher will be contacting you.
- 
- If you need to borrow a computer/iPad from the school please complete the [Device Request Form](#) -- earliest pick up date would be Friday September 4th (Please wait for more information via email.)
  - If you have a device at home for your child(ren) and your child is ready to begin lessons on SeeSaw they may begin their SeeSaw assignments assigned to their class (see above).
  - We know this is new for some of you -- [click here for more Kualapuu Distance Learning information](#).
  - Email VP Sherwood if you need more information on distance learning set up: [loretta\\_sherwood@kualapuu.k12.hi.us](mailto:loretta_sherwood@kualapuu.k12.hi.us).

From Monday, Aug 31-Thursday, Sept 3rd, we will NOT be serving any meals, as the campus is closed during this time. We will give you updates.

Please join us for a presentation by the Molokai DOH Staff for Families on Covid-19, Tuesday, September 1st, 2:00 p.m.-3:00 p.m. for parents (Zoom Link will be sent at a later email)

We will be meeting with staff to discuss and plan next steps. We will be communicating more information in the coming days.

Again, thank you for your patience as we move forward.

Kualapu'u School administration was notified that a student(s) has been exposed to a Covid-19 case. At this time, there are no confirmed student or staff COVID-19 cases within our school. We continue to monitor the situation for any potential impacts and will provide additional updates. The Hawaii State Department of Health is the lead agency in terms of notifying individuals who were possibly exposed. We encourage anyone with concerns to consult with their health care provider. For additional information or guidance, please visit the state's COVID-19 website at [www.hawaiicovid19.com](http://www.hawaiicovid19.com).

### **Kualapuu PCCS: Email Communication Sent Via SchoolMessenger on Saturday, August 22, 2020, 10:32am**

**We will have the first 5-day week coming up!** Monday, August 24th makes Day 8 since we “opened” up school. For the most part, and with gentle reminders, students have been keeping their distance from each other, washing their hands, and keeping their masks on. Thank you families for sending your children to school.

#### **Here are some other gentle reminders:**

- Beginning of Year Packets went home-- Please fill out Emergency Cards, Family Household Surveys and other forms. Please turn these in as soon as possible.
- Travel Quarantine -- It is our understanding that only the person who traveled needs to adhere to the 14 day quarantine. The family members, like children, do not need to quarantine if they did not travel. Nevertheless, given the heightened state of vigilance on Molokai, families may want to consider keeping children at home for quarantine if the child is exposed to a traveling family member. If you choose to keep your child in quarantine, children who are not in school will be considered absent. If you choose to keep your children at home because of a travel related quarantine, please call the school and we will note this in our records.

**Finally, as many of you may have heard,** there is a Covid-19 case on Molokai. We wish the person and his/her family positive thoughts and healing. We have not been contacted about any school impact, therefore Kualapuu School will continue to be open on Monday.

#### **Here’s a bit of non-covid GREAT news, our State Representative Lynn DeCoite was able to secure CIP funding for the following projects at Kualapuu School:**

- \$1.0M for PLANS, DESIGN, CONSTRUCTION AND INSTALLATION FOR PLAYGROUND EQUIPMENT INCLUDING SHADE STRUCTURE, FLOORING MATT AND FENCING. and
- \$150,000 for PLANS, DESIGN, EQUIPMENT AND INSTALLATION FOR SHADE STRUCTURE AND COVER FOR BASKETBALL COURT

The request for these projects was made about 2 years ago, so we are so happy that we now can plan for an awesome playground for our students. Mahalo Lynn for helping to secure this funding for our Kualapuu School students!

**Beginning of Year Packets went-- Please fill out Emergency Cards, Family Household Surveys and other forms. PLEASE TURN THESE IN AS SOON AS POSSIBLE.**

**Question about travel, quarantine, and school attendance:** If I travel or if a member of my family travels to Oahu or another island, I know there is a 14 day quarantine for the person who travels. Do my children or the people in my household also need to quarantine?

**Answer:** It is our understanding that only the person who traveled needs to adhere to the 14 day quarantine. The family members, like children, do not need to quarantine if

they did not travel. However, we leave it up to each family on whether they will quarantine members of their family or not. Children who are not in school **will be** considered absent. If you choose to keep your children at home because of a travel related quarantine, please call the school and we will note this in our records.

As a general rule, please travel only for essential reasons. For more information about Maui County quarantine rules, please visit

We are excited to welcome our students back to school! Aloha Families and Friends --

Wow! It's been 7 weeks since we last saw your children on campus, when we left for spring break on March 13<sup>th</sup>. The school is strangely empty and void as we are missing your children. We will be happy to have them back on campus as soon as it is safe to do so. Our world as we know it has changed, but we know Molokai is an awesome place to be stay and remain safe.

Thank you all for keeping your children on a routine and focusing on working together as a family and community. We have 4 ½ weeks of school left before Summer Break, so let's just hang in there a few more weeks! WE CAN DO THIS!

***'A'ohē 'ulu e loa'a i ka pōkole o ka lou***  
***(There is no success without preparation)***

Aloha Families -- I hope you are all at home staying safe, yet comfortable in your homes. We have spent the week since our return to school on March 30th preparing for your child's distance learning enrichment activities. By now, your child's homeroom teacher should have connected with you either by email, text, phone, and even person to person. If your child's teacher has not connected with you, or you have been out of touch, please do not hesitate to contact me at [Lydia\\_Trinidad@kualapuu.k12.hi.us](mailto:Lydia_Trinidad@kualapuu.k12.hi.us). Our goal is for us to connect with 100% of our students' families.

Our distance learning opportunities will come in at least 2 methods--enrichment learning packets (hard copies) and/or web-based links.

**Packet Pick Up:**

Our first learning packet pick up is scheduled for Tuesday, April 7th. Please drive to the school, and a staff member will be meeting your car to get your children's names. Your child's learning packets will be brought to your car. Here is the scheduled time for pick up.

- Last names from A-K, pick up is from 8:00-9:30am.
- Last names from L-Z, pick up is from 9:30-11:00am.

(If you children have different last names, we can accommodate the pick up.)

Please be patient as we work through this procedure. If your child's teacher did not communicate to you if there is a packet or supply pick up, then you do NOT have items to pick up on Tuesday. Also, if you do not feel comfortable leaving your home for the learning packet created by your teacher. The packets will be held for you, until such time it is safe for you to leave your home.

### **E-Learning:**

The second opportunity for enrichment learning is via our Kualapuu e-learning site. On this web-page we have listed all of our teachers so you don't have to look for various email from your child's teacher, especially if you have two or more children at the school. Each teacher has created learning opportunities for your child. If you have questions about the learning activities, please email your child's teacher. Each teacher has carefully put together the learning activities so children can have fun, can maintain the academic learning they have so far, and in some cases can have challenging work. Our e-learning page can be accessed here <https://www.kualapuucharterschool.org/e-learning/>. The e-learning page will be LIVE on April 6th, at 6pm. Stay tuned!

### **Technology Devices:**

A final note on tablet and chromebook devices: For those families who requested a tablet or chromebook, we have ordered individual chargers for these devices and we are waiting for shipment. We still need to review our list and a scheduled time for tablet/laptop pick up will be made. We anticipate that distribution will be during the week of April 13-20th. More information on this is forthcoming.

We want to thank all of you for your patience as we move through this unprecedented world event. Please remember that these activities are made for your child's enjoyment and learning, and we do not intend to overwhelm you and your child. Please keep in touch with your child's teacher so they can help you with your child's learning needs. Stay Safe!

### **Kualapuu PCCS: Email Communication Sent Via SchoolMessenger on Monday, March 30th, 2020, 10:01am**

Aloha Parents -- We are considering sending home the school tables or Chromebooks for student use. Unfortunately, we do NOT have enough for all students, Kindergarten - Grade 6. In addition, many of the tablets or Chromebooks belong to class sets, so we do NOT have individual chargers for each computer. However, we are trying to find a

solution to this issue. Please help us by completing this survey so we can plan appropriately. Deadline to submit survey is Thursday, April 2nd.

Request for School Computer/Table use at home -->

Finally, as a friendly reminder, we hope to provide some form of distance learning starting at April 7th. However, please be patient with us as our teachers slowly ramp up our learning activities throughout the month of April.
